

How to View and Display Your COVID-19 Vaccination Record within Your MyChart[®] Account

MyClevelandClinic MyChart

Use this handy guide to view your COVID-19 vaccination record within your MyChart account. The below steps apply for patients who have been vaccinated at Cleveland Clinic locations as well as those who have been vaccinated outside of Cleveland Clinic.

View Your COVID-19 Vaccination Record within MyChart

- 1. Log into MyChart using your MyChart username and password.
- 2. Click the **Menu** icon. Scroll down to the section labeled "My Medical Record" and click on the **COVID-19** option.

One of the statuses will now display:

COVID-19 vaccination complete. This status may display if you were vaccinated at a Cleveland Clinic location or if you were vaccinated at a non-Cleveland Clinic location and your information has already been updated to your Cleveland Clinic electronic health record and MyChart account.

 If needed, click the **Download/Export** button to print or email a copy of your record.

No vaccine received. This status may display if...

- You have not been vaccinated.
- You were vaccinated at a non-Cleveland Clinic location and your information has not yet been updated to your MyChart account and Cleveland Clinic electronic health record.

If the second applies to you, update your information in MyChart with the below easy steps:

(Note: This feature will be available as of October 9)

- A blue banner with a green Update button will display beneath your No vaccine received status. Click the green Update button. MyChart will now search state immunization registries for your vaccine record.
- 2. If your record is found, your information will be added automatically.
- **3.** If additional information is needed, a message will be sent to your provider to review and add your vaccination to your electronic health record.
- 4. If we are unable to locate your record, you may manually enter your vaccination details and upload an image of your vaccine card. A message will be sent to your provider to review and add your vaccination.

Tell us about your COVID-19 vaccination.		Babya Z DOB:
AstraZeneca	Johnson & Johnson	No vaccine received
Moderna	Novavax	Vour vaccine information has been submitted Your information will be updated after it has been reviewed.
Pfizer	Other

New Features Coming Soon

COVID-19 Vaccine QR Codes: Display or Print Your Record Instantly

The QR code in MyChart contains a SMART Health Card for your COVID-19 vaccination record, which can be printed or displayed on your mobile device. The QR code can then be scanned by participating organizations to verify your vaccination status.

For more information about SMART Health Cards, visit smarthealth.cards.

Access Your QR Code Faster

You can also add your COVID-19 vaccination details to the homepage of the MyChart app through **Account Settings**. This enables you to share your information without having to login to your MyChart account.
